NATIONAL PARTNERS OF THE WEEK

Moses and Sushma
Konnect Foundation, South Asia

Praise

- That God has provided a spacious, affordable, and beautiful premises to start our young men's training course on July 9.
- That He has provided 15 young men to join us for two to three years of training.
- That all ministry projects have started back after two years of restrictions when we could not do much except relief work.

Pray

- For sufficient rain. The June–September monsoon season is very crucial to support a 1.4 billion population.
- For students in various university courses, along with practical training at the center.
- For peace as there have been several attacks on Christian, Muslim, and Dalit communities.

Praise

- For the successful month-long Entrepreneurship training session with ArtUp! 20 REP adults participated, and they all reported learning valuable skills and building new connections.
- That our summer program is up and running through July 28! We will take two groups of students to For The Kingdom for camping as well!
- That seven REP participants have recently obtained their citizenship and became naturalized Americans.

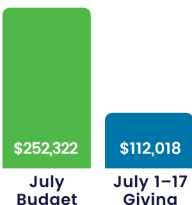

Pray

- For God's wisdom for the staff as they help newcomers navigate life in the U.S.
- For sustainable funding to ensure we can continue our mission of welcoming the stranger.
